

VETERANS URGE FUNDS

FOR PHAGAN MONUMENT

Big Meeting of
Interested Or-
ganizations Has Been
Pro-
posed for
December 10

A movement to gain the co-operation of the various organizations raising a fund for a Mary Phagan monument has been placed on foot by Camp No. 763, United Confederate Veterans of Marietta. A meeting of delegates from each of the

bodies interested in the work is advocated. J. Gid Morris, commander of Camp No. 763, has offered his home for the purpose on December 10. It is proposed at the same time to make tentative plans for the erection of the shaft in time for its unveiling on Confederate Memorial day, April 26, 1914, the first anniversary of her death.

At the regular monthly meeting of the camp in Marietta recently \$5 was contributed toward the fund by the camp. It was then suggested that every veteran donate 25 cents. This suggestion was enthusiastically received and before the meeting closed \$40 had been subscribed.

The Brotherhood of Railroad Trainmen, Atlanta lodge, No. 720, already has begun a subscription for the purpose. Also have several other organizations. All of these are asked to send delegates to the meeting on December 10, either at Mr. Morris' home or at a place more convenient. The veterans are receiving and acknowledging contributions by mail. All contributions should be sent to Camp No. 763, U. C. V., Marietta, Ga.
